

GIVE THE AID TO THE HAITIAN PEOPLE NOW!

SATURDAY, JANUARY 8, 2011 DEMONSTRATION

Place: OFFICE OF PRESIDENT WILLIAM J. CLINTON
THE UNITED NATIONS SPECIAL ENVOY FOR HAITI
55 West 125th Street, NEW YORK, NY (between Lenox & 5th Avenues)

Time: 10 AM TO 12:30 PM

IT HAS BEEN ONE YEAR *since the earthquake devastated Haiti and 2 months since the UN presence precipitated the cholera epidemic. Over a million people are still homeless living in tent cities with rats, no sanitation, no water, little or no food aid, no security and no refuge from the intense daily heat and rain. Cholera victims are dying because of insufficient medical supplies and treatment centers. Despite the billions of dollars that were pledged by nations and collected by charities to aid these victims, and the appointment of special UN envoys, there has been no change in their situation or their suffering.*

WE DEMAND *Effective medical treatment for all cholera victims; Permanent housing for the homeless earthquake victims NOW; Elimination of tent cities; No forced evictions of IDP's; Safe water; Sanitation; Resumption of food aid; Security for people living in tents; Employment of jobless Haitians in the rebuilding and reconstruction; Elimination of delays and diversion of material aid; Accountability and transparency from government officials, NGO's and UN agencies and their representatives with regard to receipt and expenditures of Aid money.*

WE ARE *The Haiti Solidarity Network of the North East (HSNNE), Civil Rights Watch Organization, Community Development International (CDI), December 12th Movement, Diaspora Community Services, Friday Night Haitian Coalition, Haitians Unified for Development and Education (HUDE), Institute for Justice & Democracy in Haiti (IJDH), International Association Against Torture, Jefferson Park Ministries, Justice Alliance Network of New Jersey (JAN-NJ), NJ Haitian Chamber of Commerce, NJ Haitian Students Association, Organizing for Haiti, Pax Christi Metro New York, Pax Christi NJ, Peoples' Organization for Progress, Saint Bridget's Haiti Advocacy Committee, Sisters of St. Joseph of Philadelphia, Sustainable Orphanages for Haitian Youth, Unity Ayiti.*
