Human Rights Groups Call for Immediate Arrest of Jean-Claude Duvalier January 16, 2011-Port-au-Prince and Boston- Today, the [Institute for Justice & Democracy in Haiti \(IJDH\)](#) and the [Bureau des Avocats Internationaux \(BAI\)](#) call on the Government of the Republic of Haiti and the United Nations Stabilization Mission in Haiti (MINUSTAH) to comply with Haitian law and arrest ex-President Jean-Claude Duvalier, who returned to Haiti today.

IJDH and the BAI note that the extensive legal documentation of Mr. Duvalier's claims, includes:

- A July 3, 2009 order from the First Court of Public Law, of the Federal Court of Switzerland, which notes that the Haitian government had informed it of current criminal proceedings against Mr. Duvalier as late as June 2008;
- The Decision of the U.S. District Court for the Southern District of Florida, *Jean-Juste v. Duvalier*, No. 86-0459, dated January 8, 1988, finding Mr. Duvalier liable for over \$500,000,000(U.S. dollars) for his misappropriation of public monies for his personal use; and
- An extensive accounting of Mr. Duvalier's misappropriation of public funds conducted for the Haitian government by a U.S. accounting firm between 1986 and 1990, establishing the theft of over \$300,000,000 of public funds.

This legal documentation is supplemented by an extensive public record of Mr. Duvalier's human rights violations, including the torture and disappearances of political dissidents at the Fort Dimanche prison.

The BAI and IJDH believe that if there are not any arrest warrants outstanding against Mr. Duvalier, that the information available in existing legal proceedings and Mr. Duvalier's 25-year flight from Haitian justice clearly justify the immediate issuance and execution of an arrest warrant. The BAI and IJDH offer their assistance, including their extensive documentation of Mr. Duvalier's crimes, to Haitian or MINUSTAH authorities conducting a serious investigation.
