

The Women's Forum @ UNA-GB, in partnership with the Center for Women's Health and Human Rights and the Institute for Justice & Democracy in Haiti presents:

V-Day Boston Spotlight Teach-In: Violence Against Women and Girls of Haiti

Friday, March 18, 2011

6:00 PM

Amenities Room at Suffolk University

73 Tremont Street, Boston, MA 02108

Join us for an expert panel discussion and presentation to raise awareness concerning critical issues for women and girls of Haiti.

The 2011 Spotlight on Haiti will focus on the increased sexual violence since the devastating earthquake in 2010 and feature: a PowerPoint presentation by IJDH Director, Brian Concannon, Jr. Esq., action steps for the Boston community, and presence by local leaders and advocates who are resisting violence with courage and vision.
