

"Haiti: Where the Fault Lies" Speaker Series Presents:

# UN-doing Cholera

A discussion of the UN's participation in the Haitian Cholera outbreak

Nicole Phillips, Esq.

Institute for Democracy & Justice in Haiti

Join us for a presentation by Nicole Phillips for a discussion on the UN's role in bringing cholera to the island and a just solution. Cholera has played a major role in the health of the Haitian people, and greatly impacted efforts to rebuild the country. Ms. Phillips is an adjunct professor at USF School of Law and serves on the Board of Directors of Human Rights Advocates, an NGO with consultative status to the UN. A discussion with physician panel including Phuoc Le, MD, DTM&H and Joanna Hellmuth, MD to follow.
