

**PROFAMIL EXECUTIVE DIRECTOR POSITION  
JOB BRIEF**

PROFAMIL Haiti, seeks to fill the position of Executive Director. The successful candidate should be visionary, a strong manager and a strategic thinker who can be innovative as well as pragmatic in leading the organization to optimally meeting its responsibility to respond fully to the sexual and reproductive health needs of Haiti. S/he will be effective in networking, engaging and convening others in a process of exploration, dialogue and collaboration, exploring new terrain as necessary.

A career path which has provided opportunities for broad management expertise and allows for a keen knowledge of the complex issues related to sexual and reproductive health is essential. An advanced degree in public health, the social sciences and /or management field is preferred. At least five years experience in program planning, networking and management is required. Salary is competitive and commensurate with experience.

**Review of resumes will begin by Oct 1, 2012. Please send a cover letter and resume to:**
