Mr. Mario Joseph, Attorney

Dear Mr. Joseph:

It came to my attention that you are being persecuted for your steadfast commitment to the cause of Human Rights in Haiti. This is very disconcerting and alarming news for the New England Human Rights Organization (NEHRO) that I represent. I am writing to express my concerns and affirm my support to you. You can always count on NEHRO when you feel intimidated or threatened in the performance of your duty as a Human Rights activist, or anytime your own rights are violated.

In Solidarity,

Mr. Josue Renaud, MS, MED
President of NEHRO
Guy Apollon, MD, MSW, LCSW
NEHRO Special Advisor
