Re: Demand for Justice and Reparation

Dear Council President:

It is with great sadness that I am writing this letter. It is an opportunity to remind you that human rights for all should be respected.

My name is Selimene Charles. I am the younger sister of Saintemene Charles who died from cholera on December 10, 2011. The disease unexpectedly hit her. We did not get a chance to take her to the hospital because she suddenly died from the pain. She suddenly became sick on Sunday night and died Monday morning, after a few hours of being in great pain. We have since learned that it is MINUSTAH that has imported this disease. I ask that the United Nations give me justice and reparation for the death of my sister from cholera.

Best regards,

Selimene Charles

Younger sister of cholera victim, Saintemene Charles
