Subject: Demand for Justice and Reparations

I, Gezitha Louis, am a severe victim of cholera. When I got sick, I lost everything I possessed because there was no one to look after my affairs while I was recovering. Everything I had was stolen.

I succumbed to cholera in the fields, and when they brought me to the hospital, they had to give me 25 intravenous serum doses and 80 oral serum doses. Since then, I continue to be afflicted with other health problems. I vomited so heavily during my cholera that my stomach opened.
