

CALL CONGRESS UNTIL TPS FOR HAITIANS IS EXTENDED! *DO YOUR PART!*

**TEMPORARY PROTECTED STATUS (TPS) FOR 50,000 HAITIANS ENDS JULY 22
UNLESS DHS SEC. KELLY EXTENDS IT SOON – *BUT IT'S AT GRAVE RISK!***

**TELL MEMBERS OF CONGRESS THEY NEED TO CALL AND WEIGH IN WITH
SECRETARY KELLY NOW TO CONVINCE HIM TO EXTEND IT!**

Hurricane Matthew has left a devastating food insecurity crisis: people are dying of malnutrition because the crops and livestock were destroyed! And the UN has raised only \$2 million of its \$400 million target to even begin targeting the unchecked cholera epidemic which has killed and sickened a million people! Haiti's new government is overwhelmed with these crises and can't safely assimilate 50,000 additional deportees, much less replace their remittances which support perhaps 500,000 family in Haiti! Deporting them would destabilize Haiti and injure U.S. national security!

CALL NOW AND EVERY DAY UNTIL DHS SECRETARY KELLY EXTENDS TPS!

Bipartisan support favors extension! US Senators Rubio and Nelson of Florida, Markey of Massachusetts, and Schumer and Gillibrand of NY have already signed letters to Kelly for extension! So too have at least 11 U.S. Representatives! Call to thank them but say that TPS is threatened and that you want them to weigh in with Secretary Kelly now, personally and effectively, until Kelly does the right thing and extends TPS! **BELOW ARE PHONE #s IN DC AND LOCALLY FOR SOME KEY CONGRESSPERSONS! SPREAD THE WORD AND GET EVERYONE TO CALL THEIR OFFICES!**

IF YOU CALL THE CONGRESSIONAL SWITCHBOARD, 202 225 3121, and follow the prompts, you will be connected to any Member of Congress! **But it's MUCH QUICKER to call them on their direct lines listed at the end of this message!**

IF YOU GET A RECORDING OR A PERSON, YOU CAN SAY: "I'm calling to THANK Senator [or Representative] [NAME] for writing [if they did] DHS Secretary Kelly about the need to extend TPS for Haiti, which expires July 22! Please *let the Senator [Representative] know that TPS is at grave risk of NOT being extended, and that we need him [her] to please call DHS Secretary Kelly today to URGE HIM TO EXTEND IT,* because not extending it would be a travesty and *disaster* for families here and in Haiti and bad for U.S. national security! Thank you so much!"

Say that you are a *constituent* if you live in the congressperson's state or district. But regardless, call as many people on the list as you can. You can use your own words if you like, and keep it *brief*. **You don't need to discuss the issue; the receptionist is trained just to take your message without asking for any details.**

Be sure to thank them! It's great that some congresspersons signed supportive letters! But we need them to weigh in with Secretary Kelly now, behind-the-scenes, to make this happen! Here's a list of U.S. Senators and Representatives to call and their direct #s in Washington, DC and at home! PLEASE CALL AS MANY AS YOU CAN, AND GET OTHER PEOPLE TO DO SO TOO!
