RE: Meeting Request -Temporary Protected Status (TPS) for 60,000 Haitians Living In the United States

Dear President Trump:

As State Senator for District 38, I am writing to request a meeting with you or someone from your staff for about 5-10 minutes to discuss the Temporary Protected Status program. Anytime on November 2, 2017 between the hours of 10:00 am and 4:00 pm would be great but I am willing to adjust to another convenient date and time of your choice.

As expressed to you in my letters written on June 5, 2017 and September 26, 2017, I am thankful to you for extending the Temporary Protected Status (TPS) for the almost 60,000 Haitians living in the United States for six months until January 22, 2018 however, my colleague, Representative Al Jacquet (Dist. 88) and I, request that you extend the TPS program for an additional eighteen months.

The Representative and I have both filed legislation in the state of Florida to express our deepest concerns regarding the TPS. We look forward to hearing from you really soon concerning this urgent request for a meeting. Your assistance, total support, and cooperation in extending the Temporary Protected Status and any legal allegations thereafter is greatly appreciated. I can be reached at the above address and phone numbers. Representative Al Jacquet can be reached at the following: District Office: 314 11th Street, West Palm Beach, FL 33401 (561) 650- 6846 or Capitol Office: 1302 The Capitol, 402 South Monroe Street, Tallahassee, FL 32399 (850) 717-5088.

May God bless you as you continue to move this country in a positive direction.

Sincerely,

Daphne Campbell, RN
State Senator, District 38
